

For those who spend any time on snow and ice and want a fast, economical way to help prevent slippage on snow and ice. Directly insert **GET a GRIP® SOLEMATES** into your soles. **GET a GRIP® for SOLEMATES.**

- + Our **GET a GRIP® SOLEMATES** are made of case-hardened steel
- + Installation tool included for ease of insertion
- + Should only be used on thick soled boots.

ICERESCUE+ SYSTEMS GET a GRIP® WRIST MOUNTS

Get a Grip® Ice Awls are easily stowed in a convenient ice awl wrist mount. We highly recommend Ice Rescue System's wrist awl mounts for Ice Rescue Suits that do not have a place for ice awls.

- + One size fits all.
- + Chemical Light attachment point
- + Forever Glowstick sold separately
